**Extent:** 1.67 linear feet

**Dates:** 1975- ongoing

**Language:** English

### **Scope and Content**

This collection documents the history of the exhibitions held at the Governor's Gallery. There are two series: general exhibitions and the annual exhibitions for the Governor's Awards for Excellence in the Arts. Materials in this collection include exhibition catalogs, newspaper clippings, pamphlets/postcards, posters, correspondence and some videos. Folders are arranged chronologically.

The Governor's Gallery collection is organized into the following series:

Series I. General Exhibitions, 1975 - ongoing

Series II. Governor's Awards for Excellence in the Arts, 1977 - ongoing

### **History**

The Governor's Gallery was established by Clara Apodaca, the First Lady of New Mexico from 1975-1978, as an outreach facility of the New Mexico Museum of Art. It is located on the fourth floor of the New Mexico state capitol. The Gallery presents several exhibitions a year representing the art and culture of New Mexico.

Every fall since 1974, the Governor's Gallery hosts the exhibition honoring that year's recipients of the Governor's Awards for Excellence in the Arts. Governor Bruce King and First Lady Alice King established the Governor's Awards for Excellence in the Arts to honor New Mexicans who have made a significant lifetime contribution to the arts. This prestigious annual award recognizes both individuals and organizations and acknowledges the considerable role, both economic and cultural, that artists, craftspeople and arts supporters play in the life of New Mexico. Nominations for the awards are invited each year from arts groups and interested New Mexicans. All nominations are reviewed by a committee of the New Mexico Arts Commission, which sends its recommendations to the full Commission and to the Governor. The exhibition held in the Governor's Gallery in honor of the award recipients is curated by an employee of the New Mexico Museum of Art.
